MATCH DAY PARKING

Dear Resident,

In order to assist with the prevention of unauthorized parking of vehicles in residential areas on match days, the Gardai have issued a designated contact telephone number with dedicated personnel to deal with these issues.

Please contact the following number if you experience or witness a problem with unauthorized parking in your area on match days.

087 – 0501672

This initiative has been agreed by a liaison group consisting of representatives from the local residents associations, An Garda Siochana, Limerick City Council, and Thomond Park Stadium. This group has been set up to deal with issues that may impact on residential areas during match days at Thomond Park Stadium.

Thank you in advance for your assistance with helping to resolve this issue.

Yours sincerely,
